Statement Of Faith

We believe that Jesus Christ came to Earth in the flesh by virgin birth, that He lived a sinless life and performed miracles. We believe that He died on a cross and shed His Blood for the atonement of our sins, that He rose again on the third day, that He ascended into Heaven and that He is coming back to receive His bride. We believe the original Old and New Testament was given by God, is divinely inspired and is the final authority in all matters of faith. We believe that Salvation comes through the shed blood of Jesus by faith, not by works and that those who accept Him as Lord and Savior are made new and are no longer under sins bondage for His blood has made them clean. We believe the Holy Spirit enables us to live holy lives that we may serve Jesus Christ!

Steve Ladd of Gold City Quartet:

"I would like to write this letter of recommendation on behalf of my Canadian friends, Golden Harmony. I have had the honor to share the stage with them and I know from being around them, they love what they do and who they sing about. Their talent and professionalism is only surpassed by the anointing they sing with. I feel your church or concert audience will be blessed and uplifted by having this recently awarded, "Southern Gospel Group of the Year"! Jacy and all of Golden Harmony are the real deal, and I'm honored to call them my friends".

Kevin Williams of Gaither Vocal Band:

"I worked with Jacy Golden in the studio in Nashville, TN. He is the MacDaddy when it comes to this stuff. Listen to him, he knows what he's talking about!"
